### CHANGES TO SAILING INSTRUCTION

In the sailing Instruction delete and replace as follows (deleted sentences are strikethrough, alternate sentences are in red):

#### 15. SCORING

15.2 The coefficient for each in-port race is ~~0.5~~ **0.25**.

The coefficient for offshore race are:

Leg #1 (Muscat to Sohar)	coefficient 1.0
Leg #2(Sohar to Khasab)	coefficient 1.5
Leg #3 (Khasab to Abu Dhabi)	coefficient 1.5
Leg #4 (Abu Dhabi to Doha)	coefficient 1.5
Leg #5 (Doha to Dubaï)	coefficient 2.0

If an offshore leg is splitted into 2 sub offshore legs, or if an offshore is shortened, the coefficient will be define with an amendment at sea according to the Sailing Instruction 3.2

15.3 A boat's series score will be the total of her offshore and in port race scores.

~~excluding~~

~~her worst in port race scores as follows:~~

- a) ~~When more than two inshore races are held at the same venue, teams will discard their worst race from that venue's total score.~~ **No in port races will be discarded.**
- b) A Team's inshore ranking in each venue will count as points towards their final score,
- c) All offshore races will count towards a boat's series score.

## 16. EQUIPMENT

---

~~16.4 When flag A is displayed no later than the warning signal, boats shall use only the Fractional spinnaker~~

16.7 The anchor and its ground tackle shall be stored ~~centered and right in front of the Mast~~ **in the starboard middle locker**, except when anchoring.
